

CALL to CELEBRATE

CHILD'S BOOK

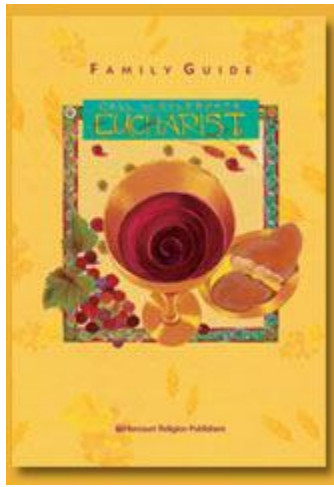

Child's Books feature eight complete catechetical sessions, each with an opening ritual prayer, age-appropriate content, beautifully illustrated Scripture, systematic and intentional activities, faith at home features, a closing blessing, and a comprehensive Faith at Home section.

CATECHIST EDITIONS

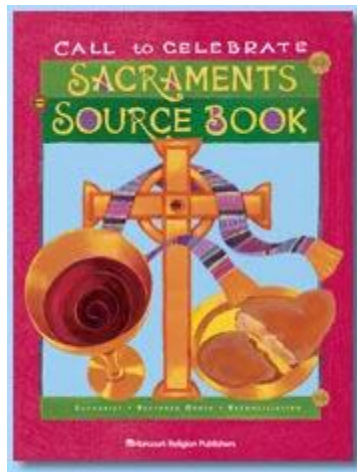

Catechist Editions contain everything catechists need to prepare children for the celebration of the sacrament—with a complete and concise background, an easy-to-use lesson planner, a convenient wraparound lesson process, integrated Restored Order Lessons, plus an assortment of activities, tips, reproducible activity masters, and narratives for reenactment of scripture stories in each session.

FAMILY GUIDE

Family Guides help families to prepare for sacrament catechesis at home while also serving as a reflection and formation tool for parents—with stories of other parents, prayers and blessings, tips on preparing for the day of celebration, family moments, and special memory pages.

SACRAMENTS SOURCE BOOK

The **Sacraments Source Book** provides complete resources for parish leaders to fully implement sacrament preparation within the whole parish community, includes catechist formation and training, and offers parent and family sessions plus child and family retreats.
