## The Way to Heaven

When we perform the Works of Mercy, we are living out the Beatitudes and making our way to Heaven. Fill out the steps of the stairway below with actions you could do to live the Works of Mercy. Start at the bottom with actions that are easy for you, and choose more challenging actions as you make your way up the ladder. (See page 238 in your book for the Works of Mercy.) Make a commitment to put your ideas into action.
