

Name _____

Praying the Rosary

Do you know how to pray the Rosary? Color code the rosary beads to show which prayer is said on each bead and on the cross. (Refer to page 232 of your book for help with this activity.) Use the following code: Apostles' Creed: yellow; Lord's Prayer: brown; Hail Mary: blue. Put an X in the places where the Glory Be is prayed.

On the lines inside the rosary, write the day of the week and the name of the group of mysteries that is prayed on this day. Then list the five mysteries.
