## A Missionary Witness

Imagine that you live in Palestine during the time of Jesus. You have been hearing a lot about the Messiah and about the call to be baptized. You travel to try to catch the latest news and to be present for the important events taking place. You were present at the baptism of Jesus. Later, you are with the crowd listening to the Apostles preach after Jesus' Ascension, when 3,000 new Christians are baptized. (See Acts of the Apostles 2:14–41.) You are writing a letter to your family, describing the baptisms you have witnessed. What would you say? Write your letter in the space below.
